Can you believe there are fun and exciting jobs like a water slide tester and a video game tester? A water slide tester goes around the world to test water slides and makes about twenty-eight thousand dollars a year. A video game tester can make up to fifty-eight thousand dollars a year by playing the latest video games!

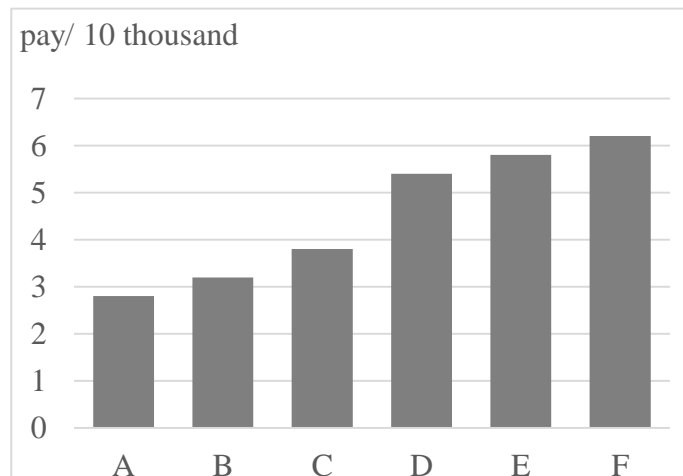

People might dream to eat a lot of sweets when they are children. These people make their dreams come true — they can be sweet tasters and chocolate tasters. A sweet taster makes around thirty-two thousand dollars a year. A chocolate taster makes around fifty-four thousand dollars a year. This year, a taster ate two hundred fifty chocolate Easter eggs at work.

Do you like to swim? Maybe these people do! A golf ball diver goes into water and gets the golf balls back from the water. They can get four thousand golf balls a day and make around thirty-eight thousand dollars a year. A mermaid needs to swim beautifully and sit like a princess on the rock or beach. She makes sixty-two thousand dollars a year. A few lucky people have the chance to take care of some islands. They can enjoy the water, the sun and the blue sky and make around one hundred twenty thousand dollars a year!

What do you think of these jobs? Would you like to be a mermaid in the future?
